Product Details

Our custom paperboard signs can be used for a variety of purposes, from communicating important information about your business to promoting upcoming sales. EnvironPrint uses a planet-friendly digital printing process that produces sharp images and vibrant colors that are sure to get your paperboard sign noticed.

Paperboard signs are a cost-effective option for schools, non-profit organizations, restaurants, hospitals, theaters, retailers, and real estate agents. We work closely with all of our customers to ensure that their custom paperboard signs look amazing and are delivered exactly when they need them.

Highlights of our custom paperboard sign printing include:

- Choose from 6 standard sizes and 3 paperboard types
- Available in 4 finishes, with gloss, matte, and premium options
- Printing on one side only or both sides
- Vibrant, full color digital printing
- Water-based ink with no chemical solvents

Custom Paperboard Sign Printing Options

When we say custom, we mean it! Download our file templates to design your custom paperboard signs, then choose from the following options:

Sizes

- 8.5" x 11"
- 11" x 17"
- 12" x 18"
- 16" x 20"
- 24" x 36"
- 39" x 27"

Paperboard Type

- Economy Cardstock (12 pt)
- Economy Cardstock (16 pt)
- Premium Cardstock (18 pt)
- Premium Cardstock (24 pt)

Finishes

- **Gloss** - To make graphics pop, choose a reflective gloss finish.
- **Matte** - For signs that are text-heavy, a matte finish is easy to read because it doesn't produce any glare.
- **Premium Soft-Touch Matte** - Soft-touch matte has a high-end look and a velvet-smooth feel.
- **Premium High-Gloss UV** - Our high-gloss UV finish adds dimension and depth to photos and other images.

Printing Side

- Front Only
- Front and Back

Printing Time

- 2 Business Days
- 3 Business Days
- 4 Business Days

Ideas for Using Custom Paperboard Signs

- Some of the most common uses for paperboard signs include:
- Advertising upcoming shows, lectures, events, and concerts
 - Promoting products and sales
 - Workplace notices and signage
 - Classroom and school signage
 - Announcements
 - Labeling retail store sections or aisles

Frequently Asked Questions About Custom Paperboard Sign Printing

What types of paperboard are EnvironPrint paperboard signs printed on?

Paperboard signs are made with durable cardstock to ensure that they last as long as you need them to. Choose between 10 pt. C2S, 16 pt., and 18 pt. paperboard.

Can I have paperboard signs printed in a size not listed here?

Our paperboard signs are only available in the sizes listed above. If you'd like a custom size, contact us or order a custom paper sign instead, which can be printed to any dimensions you need.

What is the best finish choice for a paperboard sign?

When choosing a finish choice, it's a good idea to think about how you'll be using your paperboard signs, where you'll be putting them, and how long you'd like them to last. For signs that will be reused year after year, we suggest a matte finish, as it's resistant to fingerprints. If you want your sign to turn heads, a reflective high gloss UV finish will do the trick—and not only does this finish add shine, it also makes your sign more durable.

How can I design custom paperboard signs?

Our downloadable file templates make it easy for you to design a custom paperboard sign. Simply choose the one that best suits your needs, design your signage, then upload the design to our website when you're ready to place your order.

Can I print on both sides of my paperboard sign?

Yes, we offer printing on one side only or both sides of your paperboard sign. Businesses use two-sided printing to create custom open and closed signs for their doors; you can also get more value out of your order by printing two different messages on the same sign.

What is the minimum quantity of custom paperboard signs that I can order?

We have no minimum quantity at EnvironPrint, so if you only need one sign, you don't have to order any extras. This also makes it easy to order a single paperboard sign to ensure that you're happy with the design, cardstock choice, and finish selection before placing your complete order.

How long will it take to get my custom paperboard signs?

If you need custom paperboard sign printing fast, EnvironPrint will deliver! When you're placing your order, select your desired printing time, then use our shipping rates and delivery estimates to choose a shipping speed. Select our premium shipping option to have your signs delivered 1-2 days after printing is complete. If you are on a tight deadline and you need your project extremely quick, please call us immediately at 682-252-0578. We are happy to help no matter how tight the deadline.

Why Choose EnvironPrint for Custom Paperboard Sign Printing

EnvironPrint offers a greener alternative to traditional digital printing by using sustainable materials, water-based ink without chemical solvents, and innovative 3D-printed digital dies for items that need to be cut or folded. We've been exceeding customers' expectations by delivering friendly service, exceptional quality, and lightning-fast turnaround times. Order custom paperboard signs from us today and see why EnvironPrint is the best choice for planet-friendly printing.
