Product Details

Your packaging is one of the first opportunities you have to show consumers what your brand is all about. Make that first impression count by using professional packaging label printing. Details matter and when it's clear to consumers that you're not putting care into your packaging, they're less likely to trust your product enough to give it a try. Polished branding and well-executed packaging labels let your products shine even in the most crowded marketplaces. Packaging labels play an integral role in the success of your business.

If you've been printing your own packaging labels up to this point, giving them a professional upgrade will increase sales and generate new interest in your products. It lets your current customers know that your business is thriving and allows you a second chance with consumers who previously passed by your products.

When you choose EnvironPrint for your packaging labels, our vibrant water-based inks and premium finishes will be sure to turn heads and get your products the attention they deserve.

Highlights of our custom packaging labels include:
• Self-adhesive label paper can be used on virtually any product
• Custom printing allows you to select any size and shape you need
• Choose between an eye-catching glossy finish, traditional matte, velvet soft-touch, or dramatic high gloss
• Vibrant full color digital printing using solvent-free ink
• Fast turnaround time

Custom Packaging Label Printing Options

When we say custom, we mean it! Download our file templates to design your packaging labels and choose your desired size. To help get you started, here are some of the most common sizes used by our customers:
• 2.625" x 1"
• 2" x 2"
• 2" x 3"
• 3" x 3"
To choose a different size than those listed above, simply enter the measurements you'd like in the height and width fields.
Label Type
• Cut To Size
• Kiss-Cut Sheet
Finishes
• **Gloss** – Think of gloss as the classic choice for packaging labels. It has a little bit of a sheen without being too reflective.
• **Matte** – Matte is smooth and flat, without any luster for a minimalist look.
• **Premium Soft Touch Matte** – Our soft touch matte finish has a sophisticated appearance and a velvet-soft texture with unique tactile appeal. The fact that it doesn't show fingerprints makes it excellent for product labels.
• **Premium High Gloss UV** – For an eye-catching finish that makes photos and graphics pop, choose our premium high gloss UV option.

Frequently Asked Questions About Packaging Label Printing

What type of paper are EnvironPrint packaging labels printed on?
Packaging labels are printed on white label paper with a self-adhesive backing. Choose one of four finish styles to complement your design: standard gloss, standard matte, premium soft-touch matte, and premium high gloss UV. For help deciding which finish is best for your application, contact us before placing your order.
Can I have packaging labels printed in a size not listed?
Yes, the sizes listed on our product page are popular with our customers, but we create labels in any size you need. Select the blank option in the drop-down size menu, then type in the width and height you'd like for your packaging labels.
Are packaging labels only available in square or rectangular shapes?
No, we can print labels in any shape you need. Whether it's adding rounded corners, cutting your labels to circle or oval shapes, or creating a shape that's completely unique to your product, we can make it happen for you.
How can I design my own packaging labels?
Browse through our downloadable file templates and choose the size and shape that best fits your needs, then use the template to design your packaging labels. Upload the completed design to our website when you're ready to place your order.
What is the minimum quantity of packaging labels that I can order?
We have no minimum order size at EnvironPrint, which means you can order a single packaging label to ensure that you're happy with the design, finish, shape, and size before you place a full order.
How long will it take to get my packaging labels?
If you need custom packaging label printing fast, EnvironPrint will deliver! When you place your order, you'll be asked to select your desired printing time. Our shipping rates and delivery estimates are available on our website for your reference; premium shipping is the fastest option with an estimated delivery time of 1 to 2 days. If you are on a tight deadline and you need your project extremely quick, please call us immediately at 682-252-0578. We are happy to help no matter how tight the deadline.
