ABOUT CUSTOM ANNOUNCEMENTS

What paper should I choose for my custom Announcements?

For a classic, upscale look, pair one of our two matte finishes with our premium recycled cotton or wood grain texture paper stock. This combination works especially well for wedding invitations where an eye-catching font and simple illustrations are the centerpiece. If you're including photographs on your save the date cards, a gloss finish on 14, 16 or 18 pt. paper stock will let them shine.
